

Property Owners: You deserve a faster, easier and no cost method to collect your tenant's rent payments.

ZRent is an online payment service that allows rent to be automatically transferred from each tenant's account directly to the landlord's account.

Good for you. Good for tenants. Good for business.

Landlord signs up and invites tenants.

Individual rent shares are debited automatically.

Rent payment is made directly into landlord's bank account.

Set it. Forget it. Done.
